Coronavirus Disease (COVID-19) Important Notice:

Riverhead Charter School has been closely monitoring reports about the new Coronavirus Disease (COVID-19), caused by the novel coronavirus (SARS-CoV-2).

Rest assured, that the school continues to closely monitor this situation and following guidance from the U.S. Centers for Disease Control, the New York State Department of Health, the Suffolk County Department of Health and the New York State Education Department.

At this time, Riverhead Charter School has no cases of the coronavirus. We are still taking this health threat very seriously. If Riverhead Charter School becomes aware that a student or staff member is diagnosed with COVID-19, we will notify the entire school community immediately. If a student or staff member shows respiratory symptoms, we will follow our current practices for handling respiratory illnesses, subject to any additional guidance received by the above referenced departments.

Please know, that, as always, the health and safety of our students and staff is our highest priority, and we will remain vigilant in our efforts to help prevent the spread of this and other illnesses.

Prevention

There are a number of steps individuals can take to help minimize the spread of all respiratory illnesses, including COVID-19, according to the state Department of Health:

- Wash hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer until soap and water are available. Heavily soiled hands should be washed as soon as possible.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when sick.
- Cover coughs and sneezes with a tissue, then immediately throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces.

If you or a family member begin showing symptoms of a respiratory illness and suspect it may be COVID-19, contact your healthcare provider. Before going to your healthcare provider's office, inform them that a case of COVID-19 is suspected, and follow their advice.

As always, thank you for continued support.

Coronavirus (COVID-19) Anuncio Importante:

En Riverhead Charter School hemos estado monitoreando de manera cercana los reportes acerca del nuevo virus Coronavirus (COVID-19), causado por el nuevo brote (SARS-CoV-2).

Pueden estar tranquilos, la Escuela continuara monitoreando muy de cerca esta situación y seguiremos todas las guías por parte del U.S Centro para el Control y la Prevención de Enfermedades, El Departamento de Salud del Condado de Suffolk y el Departamento de Educación del Estado de Nueva York.

A la fecha, Riverhead Charter School no registra ningún caso de coronavirus, De todas maneras, estamos tomando esta amenaza muy en serio. Si la Escuela descubre que algún estudiante o miembro del Staff es diagnosticado con COVID-19, notificaremos a toda la comunidad de la Escuela inmediatamente. Si algún estudiante o miembro del Staff demuestra algún síntoma de problema respiratorio, cumpliremos nuestro procedimiento actual para manejar enfermedades respiratorias, sujeto a cualquier guía adicional por parte de los departamentos nombrados anteriormente.

Por favor tener en cuenta que, como siempre, la salud y seguridad de nuestros estudiante y Staff es nuestra mayor prioridad y que nos mantendremos vigilantes para prevenir y evitar que se propague esta o cualquier otra enfermedad.

Prevención

Estos son algunos pasos que podemos usar para minimizar la propagación de todas las afecciones respiratorias, incluido el COVID-19, de acuerdo con el Departamento de Salud:

- Lavarse las manos con agua y jabón por al menos 20 segundos, Si no tiene agua y jabón al alcance, use desinfectante de manos que contenga alcohol. Manos muy sucias deben lavarse lo mas pronto posible.
- Evitar tocarse los ojos, nariz y boca con las manos no lavadas.
- Evitar el contacto cercano con personas que estén enfermas.
- Quedarse en casa si está enfermo.
- Cubrirse con papel desechable cuando estornuda o tose, luego botar el papel a la basura inmediatamente.
- Limpiar y desinfectar objetos y superficies que tiene contacto frecuente.

Si Ud. o algún miembro de la familia comienza a tener síntomas de afección respiratoria y sospecha que podría ser COVID-19, contacte a su proveedor de salud. Antes de ir a la oficina de su proveedor de salud, debe informarles tiene sospechas COVID-19, y siga sus recomendaciones.

Como siempre, muchas gracias por su apoyo permanente.
