Dear Parents and Guardians,

We're excited to share that Riverhead Charter School is participating in the **Community Eligibility Provision (CEP)—a program under the National School Lunch and School Breakfast Programs.**

This means **all students will receive breakfast and lunch at no cost every school day**—no applications or payments required. However, to help our school maintain important funding that supports all students, we ask every family to **complete and return the attached CEP Income Form by Friday, October 16, 2026.**

School meals meet state and federal nutrition standards and include five meal components:
1. Meat or meat alternative (e.g., yogurt, lean beef, chicken, or low-fat cheese)
2. Grain (e.g., whole-wheat bread, brown rice)
3. Fruit (fresh or canned, depending on availability)
4. Vegetable (raw or cooked)
5. Milk (low-fat or fat-free)

To make a complete meal, students must choose at least three of these five components, and at least one choice must be a fruit or vegetable. Please encourage your child to try these healthy choices — they might discover a new favorite!

If you have any questions, please contact the Food Service Department at 631-369-5800 ext. 2236.

Thank you for your cooperation and continued support!

Sincerely,

Riverhead Charter School
