B. Cerini & Associates, LLP – 2025–2026 Annual Financial Audit

Representatives from Cerini & Associates, LLP, presented the annual financial audit for the fiscal year ended June 30, 2026.

The auditors issued an unmodified opinion on the School's financial statements. They noted that the audit was completed without disagreements with management on accounting or auditing matters and without difficulties.

The presentation included a review of the School's financial position, cash balances, revenues, expenses, and enrollment trends. The auditors discussed the School's financial performance for the fiscal year, including changes in revenue and expenses compared with prior years.

The auditors reported that management recorded the proposed audit adjustments and that their overall impact was not material to the financial statements. They also noted that they identified no material weaknesses and provided recommendations on accounting practices, information technology, and financial reporting procedures.

Following the presentation, the Board moved to approve the 2025–2026 annual financial audit. All in favor.
